| Product Description        | Recombinant protein of human phosphodiesterase 1B, calmodulin-dependent (PDE1B)... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                                   |
| Molecular Weight           | 61.2 kDa                                                                           |
| Tag                        | C-Myc/DDK                                                                          |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                               |
| Source                     | HEK293T                                                                            |
| Form                       | Frozen Solution in PBS Buffer                                                      |
