| Category                   | Proteine/Peptide                                                                                                                                                                                            |
| Application                | SDS-PAGE                                                                                                                                                                                                    |
| Product Description        | Human recombinant IL-5R alpha/IL5RA protein expressed in Baculovirus with His-Tag. Sequence domain: 21-342aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 0.5mg/ml (determined by absorbance at 280nm)                                                                                                                                                                |
| Tag                        | His-Tag                                                                                                                                                                                                     |
| UniProt                    | <a href="#">Q01344</a>                                                                                                                                                                                      |
| Buffer                     | Phosphate-Buffered Saline (pH 7.4) containing 10% glycerol                                                                                                                                                  |
| Source                     | Baculovirus                                                                                                                                                                                                 |
