| Manufacturer               | Boster Bio                                                                                                                  |
| Category                   | Proteine/Peptide                                                                                                            |
| Application                | SDS-PAGE                                                                                                                    |
| Product Description        | Human LY6D Recombinant Protein expressed in E. coli with His-tag.<br>Sequence domain: 21-98aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.5mg/ml (determined by absorbance at 280nm)                                                                                |
| Molecular Weight           | 10.8 kDa (101aa) confirmed by MALDI-TOF (Molecular weight on SDS-PAGE will appear higher)                                   |
| Tag                        | His-Tag                                                                                                                     |
| UniProt                    | <a href="#">Q14210</a>                                                                                                      |
| Buffer                     | 20mM Tris-HCl buffer (pH 8.0) containing 0.2M NaCl, 50% glycerol                                                            |
| Source                     | E. coli                                                                                                                     |
| Form                       | Liquid                                                                                                                      |
