## Product Datasheet

### SCYL1BP1 (GORAB) (NM\_152281) Human Recombinant Protein BOB-PROTQ5T7V8

|                            |                                                                  |
|----------------------------|------------------------------------------------------------------|
| Article Name               | SCYL1BP1 (GORAB) (NM_152281) Human Recombinant Protein           |
| Biozol Catalog Number      | BOB-PROTQ5T7V8                                                   |
| Supplier Catalog Number    | PROTQ5T7V8                                                       |
| Alternative Catalog Number | BOB-PROTQ5T7V8-20UG                                              |
| Manufacturer               | Boster Bio                                                       |
| Category                   | Proteine/Peptide                                                 |
| Product Description        | Recombinant protein of human golgin, RAB6-interacting (GORAB)... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                 |
| Molecular Weight           | 44.8 kDa                                                         |
| Tag                        | C-Myc/DDK                                                        |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol             |
| Source                     | HEK293T                                                          |
| Form                       | Frozen Solution in PBS Buffer                                    |
