| Article Name               | ANGEL2 (NM_144567) Human Recombinant Protein                          |
| Biozol Catalog Number      | BOB-PROTQ5VTE6                                                        |
| Supplier Catalog Number    | PROTQ5VTE6                                                            |
| Alternative Catalog Number | BOB-PROTQ5VTE6-20UG                                                   |
| Manufacturer               | Boster Bio                                                            |
| Category                   | Proteine/Peptide                                                      |
| Product Description        | Recombinant protein of human angel homolog 2 (Drosophila) (ANGEL2)... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                      |
| Molecular Weight           | 62.2 kDa                                                              |
| Tag                        | C-Myc/DDK                                                             |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                  |
| Source                     | HEK293T                                                               |
| Form                       | Frozen Solution in PBS Buffer                                         |
