## Product Datasheet

### **PRMT10 (PRMT9) (NM\_138364) Human Recombinant Protein BOB-PROTQ6P2P2**

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | PRMT10 (PRMT9) (NM_138364) Human Recombinant Protein                     |
| Biozol Catalog Number      | BOB-PROTQ6P2P2                                                           |
| Supplier Catalog Number    | PROTQ6P2P2                                                               |
| Alternative Catalog Number | BOB-PROTQ6P2P2-20UG                                                      |
| Manufacturer               | Boster Bio                                                               |
| Category                   | Proteine/Peptide                                                         |
| Product Description        | Recombinant protein of human hypothetical protein BC004337 (LOC90826)... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                         |
| Molecular Weight           | 94.3 kDa                                                                 |
| Tag                        | C-Myc/DDK                                                                |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                     |
| Source                     | HEK293T                                                                  |
| Form                       | Frozen Solution in PBS Buffer                                            |
