## Product Datasheet

### **POGLUT3 (NM\_153705) Human Recombinant Protein BOB-PROTQ7Z4H8**

|                            |                                                                              |
|----------------------------|------------------------------------------------------------------------------|
| Article Name               | POGLUT3 (NM_153705) Human Recombinant Protein                                |
| Biozol Catalog Number      | BOB-PROTQ7Z4H8                                                               |
| Supplier Catalog Number    | PROTQ7Z4H8                                                                   |
| Alternative Catalog Number | BOB-PROTQ7Z4H8-20UG                                                          |
| Manufacturer               | Boster Bio                                                                   |
| Category                   | Proteine/Peptide                                                             |
| Product Description        | Recombinant protein of human KDEL (Lys-Asp-Glu-Leu) containing 2 (KDELC2)... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                             |
| Molecular Weight           | 58.4 kDa                                                                     |
| Tag                        | C-Myc/DDK                                                                    |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                         |
| Source                     | HEK293T                                                                      |
| Form                       | Frozen Solution in PBS Buffer                                                |
