| Category                   | Proteine/Peptide                                                                                                           |
| Application                | SDS-PAGE                                                                                                                   |
| Product Description        | Human WWC1 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 655-783aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.25mg/ml (determined by Absorbance at 280nm)                                                                              |
| Molecular Weight           | 17 kDa (152aa) confirmed by MALDI-TOF                                                                                      |
| Tag                        | His-Tag                                                                                                                    |
| UniProt                    | <a href="#">Q8IX03</a>                                                                                                     |
| Buffer                     | 20mM Tris-HCl buffer (pH 8.0) containing 0.15M NaCl, 1mM DTT, 20% glycerol                                                 |
| Source                     | E. coli                                                                                                                    |
| Form                       | Liquid                                                                                                                     |
