## Product Datasheet

### **HIST1H2AH (NM\_080596) Human Recombinant Protein BOB-PROTQ96KK5**

|                            |                                                                     |
|----------------------------|---------------------------------------------------------------------|
| Article Name               | HIST1H2AH (NM_080596) Human Recombinant Protein                     |
| Biozol Catalog Number      | BOB-PROTQ96KK5                                                      |
| Supplier Catalog Number    | PROTQ96KK5                                                          |
| Alternative Catalog Number | BOB-PROTQ96KK5-20UG                                                 |
| Manufacturer               | Boster Bio                                                          |
| Category                   | Proteine/Peptide                                                    |
| Product Description        | Recombinant protein of human histone cluster 1, H2ah (HIST1H2AH)... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                    |
| Molecular Weight           | 13.7 kDa                                                            |
| Tag                        | C-Myc/DDK                                                           |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                |
| Source                     | HEK293T                                                             |
| Form                       | Frozen Solution in PBS Buffer                                       |
