| Article Name               | LYSMD1 (NM_212551) Human Recombinant Protein                                                                             |
| Biozol Catalog Number      | BOB-PROTQ96S90                                                                                                           |
| Supplier Catalog Number    | PROTQ96S90                                                                                                               |
| Alternative Catalog Number | BOB-PROTQ96S90-20UG                                                                                                      |
| Manufacturer               | Boster Bio                                                                                                               |
| Category                   | Proteine/Peptide                                                                                                         |
| Product Description        | Recombinant protein of human LysM, putative peptidoglycan-binding, domain containing 1 (LYSMD1), transcript variant 1... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                                                                         |
| Molecular Weight           | 24.8 kDa                                                                                                                 |
| Tag                        | C-Myc/DDK                                                                                                                |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                                                                     |
| Source                     | HEK293T                                                                                                                  |
| Form                       | Frozen Solution in PBS Buffer                                                                                            |
