| Article Name               | Meis homeobox 3 (MEIS3) (NM_020160) Human Recombinant Protein                 |
| Biozol Catalog Number      | BOB-PROTQ99687                                                                |
| Supplier Catalog Number    | PROTQ99687                                                                    |
| Alternative Catalog Number | BOB-PROTQ99687-20UG                                                           |
| Manufacturer               | Boster Bio                                                                    |
| Category                   | Proteine/Peptide                                                              |
| Product Description        | Recombinant protein of human Meis homeobox 3 (MEIS3), transcript variant 1... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                              |
| Molecular Weight           | 46 kDa                                                                        |
| Tag                        | C-Myc/DDK                                                                     |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                          |
| Source                     | HEK293T                                                                       |
| Form                       | Frozen Solution in PBS Buffer                                                 |
