| Article Name               | Bcl rambo (BCL2L13) (NM_015367) Human Recombinant Protein                                                                   |
| Biozol Catalog Number      | BOB-PROTQ9BXK5                                                                                                              |
| Supplier Catalog Number    | PROTQ9BXK5                                                                                                                  |
| Alternative Catalog Number | BOB-PROTQ9BXK5-20UG                                                                                                         |
| Manufacturer               | Boster Bio                                                                                                                  |
| Category                   | Proteine/Peptide                                                                                                            |
| Product Description        | Recombinant protein of human BCL2-like 13 (apoptosis facilitator) (BCL2L13), nuclear gene encoding mitochondrial protein... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                                                                            |
| Molecular Weight           | 52.5 kDa                                                                                                                    |
| Tag                        | C-Myc/DDK                                                                                                                   |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                                                                        |
| Source                     | HEK293T                                                                                                                     |
| Form                       | Frozen Solution in PBS Buffer                                                                                               |
