| Article Name               | FUT8 (NM_178154) Human Recombinant Protein                                                                         |
| Biozol Catalog Number      | BOB-PROTQ9BYC5                                                                                                     |
| Supplier Catalog Number    | PROTQ9BYC5                                                                                                         |
| Alternative Catalog Number | BOB-PROTQ9BYC5-20UG                                                                                                |
| Manufacturer               | Boster Bio                                                                                                         |
| Category                   | Proteine/Peptide                                                                                                   |
| Product Description        | Recombinant protein of human fucosyltransferase 8 (alpha (1,6) fucosyltransferase) (FUT8), transcript variant 2... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                                                                   |
| Molecular Weight           | 66.3 kDa                                                                                                           |
| Tag                        | C-Myc/DDK                                                                                                          |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                                                               |
| Source                     | HEK293T                                                                                                            |
| Form                       | Frozen Solution in PBS Buffer                                                                                      |
