| Category                   | Proteine/Peptide                                                                                                          |
| Application                | SDS-PAGE                                                                                                                  |
| Product Description        | Human NHEJ1 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 1-224aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.5mg/ml (determined by Bradford assay)                                                                                   |
| Molecular Weight           | 27.8 kDa (247aa) confirmed by MALDI-TOF                                                                                   |
| Tag                        | His-Tag                                                                                                                   |
| UniProt                    | <a href="#">Q9H9Q4</a>                                                                                                    |
| Buffer                     | 20mM Tris-HCl buffer (pH 8.0) containing 0.1M NaCl, 20% glycerol, 1mM DTT                                                 |
| Source                     | E. coli                                                                                                                   |
| Form                       | Liquid                                                                                                                    |
