| Category                   | Proteine/Peptide                                                                                                                       |
| Application                | SDS-PAGE                                                                                                                               |
| Product Description        | Human C1GalT1/C1GalT1C1 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 30-363aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.5mg/ml (determined by Bradford assay)                                                                                                |
| Molecular Weight           | 41.4 kDa (357aa) confirmed by MALDI-TOF                                                                                                |
| Tag                        | His-Tag                                                                                                                                |
| UniProt                    | <a href="#">Q9NS00</a>                                                                                                                 |
| Buffer                     | 20mM Tris-HCl buffer (pH 8.0) containing 0.15M NaCl, 20% glycerol, 1mM DTT                                                             |
| Source                     | E. coli                                                                                                                                |
| Form                       | Liquid                                                                                                                                 |
