| Manufacturer               | Boster Bio                                                                                                                                                                                                             |
| Category                   | Proteine/Peptide                                                                                                                                                                                                       |
| Application                | SDS-PAGE                                                                                                                                                                                                               |
| Product Description        | Human recombinant Cathepsin F protein expressed in Baculovirus with His-Tag. Sequence domain: 20-484aa. Application(s): SDS-PAGE, Enzyme Activity. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 0.25mg/ml (determined by Absorbance at 280nm)                                                                                                                                                                          |
| Tag                        | His-Tag                                                                                                                                                                                                                |
| UniProt                    | <a href="#">Q9UBX1</a>                                                                                                                                                                                                 |
| Buffer                     | Phosphate-Buffered Saline (pH 7.4) containing 40% glycerol                                                                                                                                                             |
| Source                     | Baculovirus                                                                                                                                                                                                            |
