| Category                   | Proteine/Peptide                                                                                                            |
| Application                | SDS-PAGE                                                                                                                    |
| Product Description        | Human POLL Recombinant Protein expressed in E. coli with His-tag.<br>Sequence domain: 1-300aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.5mg/ml (determined by Bradford assay)                                                                                     |
| Molecular Weight           | 36 kDa (320aa) confirmed by MALDI-TOF                                                                                       |
| Tag                        | His-Tag                                                                                                                     |
| UniProt                    | <a href="#">Q9UGP5</a>                                                                                                      |
| Buffer                     | 20mM Tris-HCl buffer (pH 8.0) containing 1mM DTT, 30% glycerol,<br>0.1M NaCl                                                |
| Source                     | E. coli                                                                                                                     |
| Form                       | Liquid                                                                                                                      |
