## Product Datasheet

### DAP Kinase 2 (DAPK2) (NM\_014326) Human Recombinant Protein BOB-PROTQ9UIK4

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | DAP Kinase 2 (DAPK2) (NM_014326) Human Recombinant Protein                |
| Biozol Catalog Number      | BOB-PROTQ9UIK4                                                            |
| Supplier Catalog Number    | PROTQ9UIK4                                                                |
| Alternative Catalog Number | BOB-PROTQ9UIK4-20UG                                                       |
| Manufacturer               | Boster Bio                                                                |
| Category                   | Proteine/Peptide                                                          |
| Product Description        | Recombinant protein of human death-associated protein kinase 2 (DAPK2)... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                          |
| Molecular Weight           | 42.7 kDa                                                                  |
| Tag                        | C-Myc/DDK                                                                 |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                      |
| Source                     | HEK293T                                                                   |
| Form                       | Frozen Solution in PBS Buffer                                             |
