| Article Name               | WASF2 (NM_006990) Human Recombinant Protein                          |
| Biozol Catalog Number      | BOB-PROTQ9Y6W5                                                       |
| Supplier Catalog Number    | PROTQ9Y6W5                                                           |
| Alternative Catalog Number | BOB-PROTQ9Y6W5-20UG                                                  |
| Manufacturer               | Boster Bio                                                           |
| Category                   | Proteine/Peptide                                                     |
| Product Description        | Recombinant protein of human WAS protein family, member 2 (WASF2)... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                     |
| Molecular Weight           | 54.1 kDa                                                             |
| Tag                        | C-Myc/DDK                                                            |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                 |
| Source                     | HEK293T                                                              |
| Form                       | Frozen Solution in PBS Buffer                                        |
