| Alternative Catalog Number | BOB-RP1089-FLUORO594-100UG                                                                                                                                                                                   |
| Manufacturer               | Boster Bio                                                                                                                                                                                                   |
| Host                       | Rabbit                                                                                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                                                                                   |
| Application                | FC                                                                                                                                                                                                           |
| Species Reactivity         | Mouse                                                                                                                                                                                                        |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of mouse MMP12, different from the related human sequence by thirteen amino acids, and from the related rat sequence by three amino acids. |
| Clonality                  | Polyclonal                                                                                                                                                                                                   |
| Molecular Weight           | Calculated Molecular Weight: 54971 MW                                                                                                                                                                        |
| NCBI                       | <a href="#">17381</a>                                                                                                                                                                                        |
| UniProt                    | <a href="#">P34960</a>                                                                                                                                                                                       |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                                                                                 |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Macrophage metalloelastase                    |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
