| Article Name               | Anti-PU.1/Spi1 Antibody APC Conjugated, Rabbit, Polyclonal                                                                                                                                  |
| Biozol Catalog Number      | BOB-RP1097-APC                                                                                                                                                                              |
| Supplier Catalog Number    | RP1097-APC                                                                                                                                                                                  |
| Alternative Catalog Number | BOB-RP1097-APC-100UG                                                                                                                                                                        |
| Manufacturer               | Boster Bio                                                                                                                                                                                  |
| Host                       | Rabbit                                                                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                                                                  |
| Application                | FC                                                                                                                                                                                          |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                           |
| Immunogen                  | E.coli-derived human PU.1/Spi1 recombinant protein (Position: E18-K196). Human PU.1/Spi1 shares 84% and 84.4% amino acid (aa) sequence identity with mouse and rat PU.1/Spi1, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 31083 MW                                                                                                                                                       |
| NCBI                       | <a href="#">6688</a>                                                                                                                                                                        |
| UniProt                    | <a href="#">P17947</a>                                                                                                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                                 |
| Purity                     | Immunogen affinity purified.                                                                                                                                                                |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Transcription factor PU.1                     |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
