### Anti-GTPase HRAS Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal BOB-RP1098-FLUORO550

|                            |                                                                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-GTPase HRAS Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                               |
| Biozol Catalog Number      | BOB-RP1098-FLUORO550                                                                                                                      |
| Supplier Catalog Number    | RP1098-Fluoro550                                                                                                                          |
| Alternative Catalog Number | BOB-RP1098-FLUORO550-100UG                                                                                                                |
| Manufacturer               | Boster Bio                                                                                                                                |
| Host                       | Rabbit                                                                                                                                    |
| Category                   | Antikörper                                                                                                                                |
| Application                | FC                                                                                                                                        |
| Species Reactivity         | Human, Mouse                                                                                                                              |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human GTPase HRAS, identical to the related mouse and rat sequences. |
| Clonality                  | Polyclonal                                                                                                                                |
| Molecular Weight           | Calculated Molecular Weight: 21298 MW                                                                                                     |
| NCBI                       | <a href="#">3265</a>                                                                                                                      |
| UniProt                    | <a href="#">P01112</a>                                                                                                                    |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                               |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | GTPase HRas                                   |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
