| Article Name               | Anti-L-Arginine decarboxylase/AZIN2 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                            |
| Biozol Catalog Number      | BOB-RP1112-APC                                                                                                                                      |
| Supplier Catalog Number    | RP1112-APC                                                                                                                                          |
| Alternative Catalog Number | BOB-RP1112-APC-100UG                                                                                                                                |
| Manufacturer               | Boster Bio                                                                                                                                          |
| Host                       | Rabbit                                                                                                                                              |
| Category                   | Antikörper                                                                                                                                          |
| Application                | FC                                                                                                                                                  |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                   |
| Immunogen                  | E. coli-derived human AZIN2 recombinant protein (Position: C111-Q301). Human AZIN2 shares 89.4% amino acid (aa) sequence identity with mouse AZIN2. |
| Clonality                  | Polyclonal                                                                                                                                          |
| Molecular Weight           | Calculated Molecular Weight: 49980 MW                                                                                                               |
| NCBI                       | <a href="#">113451</a>                                                                                                                              |
| UniProt                    | <a href="#">Q96A70</a>                                                                                                                              |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                         |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Antizyme inhibitor 2                          |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
