| Article Name               | AIF/AIFM1, Rabbit, Polyclonal                                                                                                      |
| Biozol Catalog Number      | NBS-ABB-ZQLEX1-100                                                                                                                 |
| Supplier Catalog Number    | ABB-ZQLEX1-100                                                                                                                     |
| Alternative Catalog Number | NBS-ABB-ZQLEX1-100                                                                                                                 |
| Manufacturer               | Nordic BioSite                                                                                                                     |
| Host                       | Rabbit                                                                                                                             |
| Category                   | Antikörper                                                                                                                         |
| Application                | FC                                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                  |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human AIF, identical to the related rat and mouse sequences.  |
| Product Description        | Anti-AIF/AIFM1 Antibody . Tested in Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Polyclonal                                                                                                                         |
| Concentration              | 500 ug/ml                                                                                                                          |
| Molecular Weight           | 66901 MW                                                                                                                           |
| NCBI                       | <a href="#">9131</a>                                                                                                               |
| UniProt                    | <a href="#">O95831</a>                                                                                                             |
| Target                     | AIF/AIFM1                                                                                                                          |

| Antibody Type | Primary Antibody |
