## Product Datasheet

### Napsin A antibody [NAPSA/4400R], Unconjugated, Rabbit, Monoclonal GTX02684

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | Napsin A antibody [NAPSA/4400R], Unconjugated, Rabbit, Monoclonal          |
| Biozol Catalog Number      | GTX02684                                                                   |
| Supplier Catalog Number    | GTX02684                                                                   |
| Alternative Catalog Number | GTX02684-100                                                               |
| Manufacturer               | GeneTex                                                                    |
| Host                       | Rabbit                                                                     |
| Category                   | Antikörper                                                                 |
| Application                | IHC-P, Protein Array                                                       |
| Species Reactivity         | Human                                                                      |
| Immunogen                  | Recombinant fragment (aa50-150) of human Napsin A protein                  |
| Conjugation                | Unconjugated                                                               |
| Clonality                  | Monoclonal                                                                 |
| Concentration              | 200 µg/ml (Please refer to the vial label for the specific concentration.) |
| Clone Designation          | [NAPSA/4400R]                                                              |
| NCBI                       | <a href="#">9476</a>                                                       |
| UniProt                    | <a href="#">O96009</a>                                                     |
| Buffer                     | PBS, 0.05% BSA, 0.05% Sodium azide.                                        |

|                   |                                                                                                                               |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                        |
| Application Notes | IHC-P: 1-2 µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
