## Product Datasheet

### **KSHV ORF73 antibody [HHV8/3606], IgG1, Unconjugated, Mouse, Monoclonal GTX02773**

|                            |                                                                                    |
|----------------------------|------------------------------------------------------------------------------------|
| Article Name               | KSHV ORF73 antibody [HHV8/3606], IgG1, Unconjugated, Mouse, Monoclonal             |
| Biozol Catalog Number      | GTX02773                                                                           |
| Supplier Catalog Number    | GTX02773                                                                           |
| Alternative Catalog Number | GTX02773-100                                                                       |
| Manufacturer               | GeneTex                                                                            |
| Host                       | Mouse                                                                              |
| Category                   | Antikörper                                                                         |
| Application                | ELISA, ICC, IHC-P                                                                  |
| Species Reactivity         | Virus                                                                              |
| Immunogen                  | Recombinant protein corresponding to the latent nuclear antigen 1 molecule of HHV8 |
| Conjugation                | Unconjugated                                                                       |
| Clonality                  | Monoclonal                                                                         |
| Concentration              | 200 µg/ml (Please refer to the vial label for the specific concentration.)         |
| Clone Designation          | [HHV8/3606]                                                                        |
| Isotype                    | IgG1                                                                               |
| Buffer                     | PBS, 0.05% BSA, 0.05% Sodium azide.                                                |

|                   |                                                                                                                                                                                     |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                                                                              |
| Application Notes | ICC/IF: 1-2 µg/ml. IHC-P: 1-2 µg/ml. ELISA: 1-5 µg/ml (for coating).<br>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
