## Product Datasheet

### Renal Cell Carcinoma antibody [PN-15], IgG1, Unconjugated, Mouse, Monoclonal GTX03322

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| Article Name               | Renal Cell Carcinoma antibody [PN-15], IgG1, Unconjugated, Mouse, Monoclonal     |
| Biozol Catalog Number      | GTX03322                                                                         |
| Supplier Catalog Number    | GTX03322                                                                         |
| Alternative Catalog Number | GTX03322-500                                                                     |
| Manufacturer               | GeneTex                                                                          |
| Host                       | Mouse                                                                            |
| Category                   | Antikörper                                                                       |
| Application                | IHC-P                                                                            |
| Species Reactivity         | Human                                                                            |
| Immunogen                  | BALB/C mice were injected with human renal cortical tissue homogenate.           |
| Conjugation                | Unconjugated                                                                     |
| Clonality                  | Monoclonal                                                                       |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.) |
| Clone Designation          | [PN-15]                                                                          |
| Isotype                    | IgG1                                                                             |
| Buffer                     | PBS, 0.1% BSA, 0.05% Sodium azide.                                               |

|                   |                                                                                                                                 |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                          |
| Application Notes | IHC-P: 1:100-1:200. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
