## Product Datasheet

### Goat Anti-Rabbit IgM (Mu chain) antibody, pre-adsorbed (AP), Polyclonal GTX04146-03

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| Article Name               | Goat Anti-Rabbit IgM (Mu chain) antibody, pre-adsorbed (AP), Polyclonal          |
| Biozol Catalog Number      | GTX04146-03                                                                      |
| Supplier Catalog Number    | GTX04146-03                                                                      |
| Alternative Catalog Number | GTX04146-03-1                                                                    |
| Manufacturer               | GeneTex                                                                          |
| Host                       | Goat                                                                             |
| Category                   | Antikörper                                                                       |
| Application                | ELISA, ELISpot, FC, IHC-Fr, IHC-P, WB                                            |
| Species Reactivity         | Rabbit                                                                           |
| Immunogen                  | Pooled antisera from goats hyperimmunized with rabbit IgM                        |
| Conjugation                | AP                                                                               |
| Clonality                  | Polyclonal                                                                       |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.) |
| Sensitivity                | Pre-adsorbed with Rabbit IgG. May react with immunoglobulins from other species. |
| Buffer                     | 50mM Tris, 1mM MgCl <sub>2</sub> , 50% Glycerol, 0.09% sodium azide.             |
| Form                       | Liquid                                                                           |

|                   |                                                                                                                                  |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Target            | IgM (mu chain)                                                                                                                   |
| Application Notes | ELISA: 1:2000-1:4000. *Optimal dilutions/concentrations should be determined by the researcher.Not tested in other applications. |
