| Article Name               | Rabbit Anti-Sheep IgG antibody, F(ab)2 fragment, pre-adsorbed (FITC), Polyclonal                                                                    |
| Biozol Catalog Number      | GTX04157-06                                                                                                                                         |
| Supplier Catalog Number    | GTX04157-06                                                                                                                                         |
| Alternative Catalog Number | GTX04157-06-500                                                                                                                                     |
| Manufacturer               | GeneTex                                                                                                                                             |
| Host                       | Rabbit                                                                                                                                              |
| Category                   | Antikörper                                                                                                                                          |
| Application                | ELISA                                                                                                                                               |
| Species Reactivity         | Sheep                                                                                                                                               |
| Immunogen                  | Pepsin digest of Rabbit Anti-Sheep IgG(H+L).                                                                                                        |
| Conjugation                | FITC                                                                                                                                                |
| Clonality                  | Polyclonal                                                                                                                                          |
| Concentration              | 0.5 mg/ml (Please refer to the vial label for the specific concentration.)                                                                          |
| Sensitivity                | Pre-adsorbed with Human serum proteins (SP). May react with immunoglobulins from other species and the light chains of other sheep immunoglobulins. |
| Buffer                     | PBS, 0.09% sodium azide.                                                                                                                            |

|                   |                                                                                                                                 |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                          |
| Target            | IgG                                                                                                                             |
| Application Notes | ELISA: 1:200-1:400. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
