## Product Datasheet

### CD8 alpha antibody, Unconjugated, Rabbit, Polyclonal GTX04862

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | CD8 alpha antibody, Unconjugated, Rabbit, Polyclonal                       |
| Biozol Catalog Number      | GTX04862                                                                   |
| Supplier Catalog Number    | GTX04862                                                                   |
| Alternative Catalog Number | GTX04862-100                                                               |
| Manufacturer               | GeneTex                                                                    |
| Host                       | Rabbit                                                                     |
| Category                   | Antikörper                                                                 |
| Application                | IHC-P, WB                                                                  |
| Species Reactivity         | Gallus, Rat                                                                |
| Immunogen                  | KLH conjugated synthetic peptide derived from rat CD8 alpha(51-150/236 aa) |
| Conjugation                | Unconjugated                                                               |
| Clonality                  | Polyclonal                                                                 |
| Concentration              | 1 mg/ml (Please refer to the vial label for the specific concentration.)   |
| Molecular Weight           | 26                                                                         |
| NCBI                       | <a href="#">24930</a>                                                      |
| UniProt                    | <a href="#">P07725</a>                                                     |
| Buffer                     | 10mM TBS, 1% BSA, 50% Glycerol, 0.02% Proclin300.                          |
| Form                       | Liquid                                                                     |

Application Notes

WB: 1:300-1:5000. IHC-P: 1:200-1:400. \*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications.
