## Product Datasheet

### **MYH7 antibody [MSVA-464M] HistoMAX(TM), IgG2b, Unconjugated, Mouse, Monoclonal GTX04970**

|                            |                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------|
| Article Name               | MYH7 antibody [MSVA-464M] HistoMAX(TM), IgG2b, Unconjugated, Mouse, Monoclonal             |
| Biozol Catalog Number      | GTX04970                                                                                   |
| Supplier Catalog Number    | GTX04970                                                                                   |
| Alternative Catalog Number | GTX04970-500, GTX04970-100                                                                 |
| Manufacturer               | GeneTex                                                                                    |
| Host                       | Mouse                                                                                      |
| Category                   | Antikörper                                                                                 |
| Application                | IHC-P                                                                                      |
| Species Reactivity         | Human                                                                                      |
| Immunogen                  | Recombinant fragment 1100-1360 aa of human MYH7 protein                                    |
| Conjugation                | Unconjugated                                                                               |
| Product Description        | <a href="#">Go to Normal Tissue Gallery</a> <a href="#">Go to Cancer Tissue Gallery...</a> |
| Clonality                  | Monoclonal                                                                                 |
| Concentration              | 66.66 µg/ml (Please refer to the vial label for the specific concentration.)               |
| Clone Designation          | [MSVA-464M]                                                                                |
| Isotype                    | IgG2b                                                                                      |

|                   |                                                                                                                                   |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Sensitivity       | Highly recommended for IHC-P in human tissues.                                                                                    |
| NCBI              | <a href="#">4625</a>                                                                                                              |
| UniProt           | <a href="#">P12883</a>                                                                                                            |
| Buffer            | 10mM PBS, BSA (Please contact us for sodium azide-free or sodium azide and BSA-free format), sodium azide.                        |
| Form              | Liquid                                                                                                                            |
| Application Notes | IHC-P: 1:100 - 1:200. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
