| Article Name               | PERP antibody, Unconjugated, Rabbit, Polyclonal                                                                   |
| Biozol Catalog Number      | GTX25986                                                                                                          |
| Supplier Catalog Number    | GTX25986                                                                                                          |
| Alternative Catalog Number | GTX25986-100                                                                                                      |
| Manufacturer               | GeneTex                                                                                                           |
| Host                       | Rabbit                                                                                                            |
| Category                   | Antikörper                                                                                                        |
| Application                | WB                                                                                                                |
| Species Reactivity         | Human                                                                                                             |
| Immunogen                  | Peptide corresponding to aa 175-193 of human PERP. This sequence differs from that of mouse by three amino acids. |
| Conjugation                | Unconjugated                                                                                                      |
| Clonality                  | Polyclonal                                                                                                        |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.)                                  |
| Molecular Weight           | 21                                                                                                                |
| NCBI                       | <a href="#">64065</a>                                                                                             |
| UniProt                    | <a href="#">Q96FX8</a>                                                                                            |
| Buffer                     | PBS, 0.02% Sodium azide.                                                                                          |

|                   |                                                                                                                              |
|-------------------|------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                       |
| Application Notes | WB: 0.5-1 µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
