## Product Datasheet

### IKK gamma antibody, Unconjugated, Rabbit, Polyclonal GTX27890

|                            |                                                                                                     |
|----------------------------|-----------------------------------------------------------------------------------------------------|
| Article Name               | IKK gamma antibody, Unconjugated, Rabbit, Polyclonal                                                |
| Biozol Catalog Number      | GTX27890                                                                                            |
| Supplier Catalog Number    | GTX27890                                                                                            |
| Alternative Catalog Number | GTX27890-100                                                                                        |
| Manufacturer               | GeneTex                                                                                             |
| Host                       | Rabbit                                                                                              |
| Category                   | Antikörper                                                                                          |
| Application                | WB                                                                                                  |
| Species Reactivity         | Human, Mouse, Rat                                                                                   |
| Immunogen                  | Peptide corresponding to aa 400-416 of human IKKgamma. This sequence is identical to that of mouse. |
| Conjugation                | Unconjugated                                                                                        |
| Clonality                  | Polyclonal                                                                                          |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.)                    |
| Molecular Weight           | 48                                                                                                  |
| Sensitivity                | This antibody recognizes IKK&947, (52 kD). No cross-reactivity with IKK&945,, IKK&946, or IKK&949,. |
| NCBI                       | <a href="#">8517</a>                                                                                |

|                   |                                                                                                                                |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------|
| UniProt           | <a href="#">Q9Y6K9</a>                                                                                                         |
| Buffer            | PBS, 0.02% Sodium azide.                                                                                                       |
| Form              | Liquid                                                                                                                         |
| Application Notes | WB: 1:500-1:1,000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
