## Product Datasheet

### Eg5 antibody, Unconjugated, Rabbit, Polyclonal GTX30692

|                            |                                                                               |
|----------------------------|-------------------------------------------------------------------------------|
| Article Name               | Eg5 antibody, Unconjugated, Rabbit, Polyclonal                                |
| Biozol Catalog Number      | GTX30692                                                                      |
| Supplier Catalog Number    | GTX30692                                                                      |
| Alternative Catalog Number | GTX30692-100                                                                  |
| Manufacturer               | GeneTex                                                                       |
| Host                       | Rabbit                                                                        |
| Category                   | Antikörper                                                                    |
| Application                | ICC, IHC, IP, WB                                                              |
| Species Reactivity         | Drosophila, Human, Mouse, Porcine, Primate, Rat                               |
| Immunogen                  | A recombinant segment of the coiled-coil domain of human Eg5 [UniProt P52732] |
| Conjugation                | Unconjugated                                                                  |
| Clonality                  | Polyclonal                                                                    |
| Molecular Weight           | 119                                                                           |
| NCBI                       | <a href="#">3832</a>                                                          |
| UniProt                    | <a href="#">P52732</a>                                                        |
| Buffer                     | Serum, no preservatives.                                                      |
| Form                       | Liquid                                                                        |

|                   |                                                                                                                                                           |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | WB: 1:1000. ICC/IF: 1:1000. IP: 1:10 - 1:500. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
