## Product Datasheet

### Cav beta 2 antibody, C-term, Unconjugated, Rabbit, Polyclonal GTX47457

|                            |                                                                              |
|----------------------------|------------------------------------------------------------------------------|
| Article Name               | Cav beta 2 antibody, C-term, Unconjugated, Rabbit, Polyclonal                |
| Biozol Catalog Number      | GTX47457                                                                     |
| Supplier Catalog Number    | GTX47457                                                                     |
| Alternative Catalog Number | GTX47457-50                                                                  |
| Manufacturer               | GeneTex                                                                      |
| Host                       | Rabbit                                                                       |
| Category                   | Antikörper                                                                   |
| Application                | WB                                                                           |
| Species Reactivity         | Human                                                                        |
| Immunogen                  | A synthetic peptide corresponding to a C-terminal region of Human Cav beta 2 |
| Conjugation                | Unconjugated                                                                 |
| Clonality                  | Polyclonal                                                                   |
| Concentration              | 0.5-1 mg/ml (Please refer to the vial label for the specific concentration.) |
| Molecular Weight           | 74                                                                           |
| NCBI                       | <a href="#">783</a>                                                          |
| UniProt                    | <a href="#">Q08289</a>                                                       |
| Buffer                     | PBS, 2% Sucrose, 0.09% Sodium azide.                                         |

|                   |                                                                                                                                |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                         |
| Application Notes | WB: 0.2-2.5 ug/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
