## Product Datasheet

### CD4 antibody [W3/25] (PE), IgG1, Mouse, Monoclonal GTX76319

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | CD4 antibody [W3/25] (PE), IgG1, Mouse, Monoclonal                         |
| Biozol Catalog Number      | GTX76319                                                                   |
| Supplier Catalog Number    | GTX76319                                                                   |
| Alternative Catalog Number | GTX76319-50                                                                |
| Manufacturer               | GeneTex                                                                    |
| Host                       | Mouse                                                                      |
| Category                   | Antikörper                                                                 |
| Application                | FC, IHC-P                                                                  |
| Species Reactivity         | Rat                                                                        |
| Immunogen                  | Rat thymocyte membrane                                                     |
| Conjugation                | PE                                                                         |
| Clonality                  | Monoclonal                                                                 |
| Concentration              | 0.1 mg/ml (Please refer to the vial label for the specific concentration.) |
| Clone Designation          | [W3/25]                                                                    |
| Isotype                    | IgG1                                                                       |
| Sensitivity                | Rat CD4                                                                    |
| NCBI                       | <a href="#">24932</a>                                                      |
| UniProt                    | <a href="#">P05540</a>                                                     |

|                   |                                                                                                                                                                   |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer            | PBS, BSA, 0.02% Sodium azide.                                                                                                                                     |
| Form              | Liquid                                                                                                                                                            |
| Application Notes | For FACS: Use 0.5 ug to label 10 <sup>6</sup> cells. Protocols are available upon request. Optimal dilutions/concentrations should be determined by the end user. |
