## Product Datasheet

### **Arylsulfatase A antibody, Internal, Unconjugated, Goat, Polyclonal GTX88953**

|                            |                                                                                                                  |
|----------------------------|------------------------------------------------------------------------------------------------------------------|
| Article Name               | Arylsulfatase A antibody, Internal, Unconjugated, Goat, Polyclonal                                               |
| Biozol Catalog Number      | GTX88953                                                                                                         |
| Supplier Catalog Number    | GTX88953                                                                                                         |
| Alternative Catalog Number | GTX88953-100                                                                                                     |
| Manufacturer               | GeneTex                                                                                                          |
| Host                       | Goat                                                                                                             |
| Category                   | Antikörper                                                                                                       |
| Application                | WB                                                                                                               |
| Species Reactivity         | Mouse                                                                                                            |
| Immunogen                  | Peptide with sequence C-YDLSKDPGENYN, from the internal region of the protein sequence according to NP_000478.2. |
| Conjugation                | Unconjugated                                                                                                     |
| Clonality                  | Polyclonal                                                                                                       |
| Concentration              | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                      |
| Molecular Weight           | 54                                                                                                               |
| NCBI                       | <a href="#">410</a>                                                                                              |
| UniProt                    | <a href="#">P15289</a>                                                                                           |
| Buffer                     | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                               |

|                   |                                                                                                                               |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                        |
| Application Notes | WB: 0.5-1.5µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
