| Article Name               | FANCG antibody, C-term, Unconjugated, Goat, Polyclonal                                                      |
| Biozol Catalog Number      | GTX89053                                                                                                    |
| Supplier Catalog Number    | GTX89053                                                                                                    |
| Alternative Catalog Number | GTX89053-100                                                                                                |
| Manufacturer               | GeneTex                                                                                                     |
| Host                       | Goat                                                                                                        |
| Category                   | Antikörper                                                                                                  |
| Application                | IHC-P, WB                                                                                                   |
| Species Reactivity         | Human                                                                                                       |
| Immunogen                  | Peptide with sequence LEEFRTSLPKSCDL, from the C Terminus of the protein sequence according to NP_004620.1. |
| Conjugation                | Unconjugated                                                                                                |
| Clonality                  | Polyclonal                                                                                                  |
| Concentration              | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                 |
| Molecular Weight           | 69                                                                                                          |
| NCBI                       | <a href="#">2189</a>                                                                                        |
| UniProt                    | <a href="#">O15287</a>                                                                                      |
| Buffer                     | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                          |

|                   |                                                                                                                                            |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                                     |
| Application Notes | WB: 0.3-1µg/ml. IHC-P: 3µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
