| Article Name               | Nanog antibody, C-term, Unconjugated, Goat, Polyclonal                                                        |
| Biozol Catalog Number      | GTX89079                                                                                                      |
| Supplier Catalog Number    | GTX89079                                                                                                      |
| Alternative Catalog Number | GTX89079-100                                                                                                  |
| Manufacturer               | GeneTex                                                                                                       |
| Host                       | Goat                                                                                                          |
| Category                   | Antikörper                                                                                                    |
| Application                | ELISA, IHC-P, WB                                                                                              |
| Species Reactivity         | Human                                                                                                         |
| Immunogen                  | Peptide with sequence C-DLFLNYSMNMQPED, from the C Terminus of the protein sequence according to NP_079141.2. |
| Conjugation                | Unconjugated                                                                                                  |
| Clonality                  | Polyclonal                                                                                                    |
| Concentration              | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                   |
| Molecular Weight           | 35                                                                                                            |
| NCBI                       | <a href="#">79923</a>                                                                                         |
| UniProt                    | <a href="#">Q9H9S0</a>                                                                                        |
| Buffer                     | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                            |

| Form              | Liquid                                                                                                                                          |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | WB: 0.05-0.1µg/ml. IHC-P: 1-2µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
