## Product Datasheet

### C3orf38 Rabbit mAb, Unconjugated, Monoclonal ABB-A20935

|                            |                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------|
| Article Name               | C3orf38 Rabbit mAb, Unconjugated, Monoclonal                                                    |
| Biozol Catalog Number      | ABB-A20935                                                                                      |
| Supplier Catalog Number    | A20935                                                                                          |
| Alternative Catalog Number | ABB-A20935-100UL, ABB-A20935-20UL                                                               |
| Manufacturer               | ABclonal                                                                                        |
| Host                       | Rabbit                                                                                          |
| Category                   | Antikörper                                                                                      |
| Application                | ELISA, WB                                                                                       |
| Species Reactivity         | Human                                                                                           |
| Immunogen                  | Recombinant protein (or fragment). This information is considered to be commercially sensitive. |
| Conjugation                | Unconjugated                                                                                    |
| Product Description        | Involved in positive regulation of apoptotic process. Located in nucleus....                    |
| Clonality                  | Monoclonal                                                                                      |
| Molecular Weight           | 38kDa                                                                                           |
| NCBI                       | <a href="#">285237</a>                                                                          |
| UniProt                    | <a href="#">Q5JPI3</a>                                                                          |
| Purity                     | Affinity purification                                                                           |

|                    |                                                                                                                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | C3orf38                                                                                                                                             |
| Application Dilute | WB,1:500 - 1:1000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Application Notes  | Cross-Reactivity: Human. ResearchArea: Apoptosis. Shipping: Ice Bag                                                                                 |
