Product Datasheet

Periostin Rabbit mAb, Unconjugated ABB-A9009

| | |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name | Periostin Rabbit mAb, Unconjugated |
| Biozol Catalog Number | ABB-A9009 |
| Supplier Catalog Number | A9009 |
| Alternative Catalog Number | ABB-A9009-100UL, ABB-A9009-20UL |
| Manufacturer | ABclonal |
| Host | Rabbit |
| Category | Antikörper |
| Application | ELISA, WB |
| Species Reactivity | Human |
| Immunogen | Synthetic peptide. This information is considered to be commercially sensitive. |
| Conjugation | Unconjugated |
| Product Description | This gene encodes a secreted extracellular matrix protein that functions in tissue development and regeneration, including wound healing, and ventricular remodeling following myocardial infarction. The encoded protein binds to integrins to support ad... |
| Molecular Weight | 80kDa/83kDa/84kDa/87kDa/90kDa/93kDa |
| NCBI | 10631 |
| UniProt | Q15063 |
| Purity | Affinity purification |

| | |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target | POSTN |
| Application Dilute | WB,1:500 - 1:1000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Application Notes | Cross-Reactivity: Human, ResearchArea: Cancer,Invasion and Metastasis,Signal Transduction,Cell Biology Developmental Biology,Cell Adhesion,Cytoskeleton,Extracellular Matrix,Bone,Immunology Inflammation,Cardiovascular,Heart,Cardiogenesis. |
