| Article Name               | C-C chemokine receptor type 5 CCR5, Rabbit, Polyclonal                                                                        |
| Biozol Catalog Number      | NBS-ABB-3GKFC4-100                                                                                                            |
| Supplier Catalog Number    | ABB-3GKFC4-100                                                                                                                |
| Alternative Catalog Number | NBS-ABB-3GKFC4-100                                                                                                            |
| Manufacturer               | Nordic BioSite                                                                                                                |
| Host                       | Rabbit                                                                                                                        |
| Category                   | Antikörper                                                                                                                    |
| Application                | FC                                                                                                                            |
| Species Reactivity         | Human                                                                                                                         |
| Immunogen                  | A synthetic peptide corresponding to a sequence in the middle region of human CCR5.                                           |
| Product Description        | Anti-C-C chemokine receptor type 5 CCR5 Antibody . Tested in WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Polyclonal                                                                                                                    |
| Concentration              | 500 ug/ml                                                                                                                     |
| Molecular Weight           | 40524 MW                                                                                                                      |
| NCBI                       | <a href="#">1234</a>                                                                                                          |
| UniProt                    | <a href="#">P51681</a>                                                                                                        |
| Target                     | CCR5                                                                                                                          |
