## Product Datasheet

### ETSRP, Biotin, Rabbit, Polyclonal NBS-ABB-3GO2SE-100

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | ETSRP, Biotin, Rabbit, Polyclonal                                      |
| Biozol Catalog Number      | NBS-ABB-3GO2SE-100                                                     |
| Supplier Catalog Number    | ABB-3GO2SE-100                                                         |
| Alternative Catalog Number | NBS-ABB-3GO2SE-100                                                     |
| Manufacturer               | Nordic BioSite                                                         |
| Host                       | Rabbit                                                                 |
| Category                   | Antikörper                                                             |
| Application                | IHC, WB                                                                |
| Species Reactivity         | Fish                                                                   |
| Immunogen                  | E.coli-derived zebrafish ETSRP recombinant protein (Position: M1-I218) |
| Conjugation                | Biotin                                                                 |
| Product Description        | Anti-Zebrafish ETSRP Antibody Biotin Conjugated...                     |
| Clonality                  | Polyclonal                                                             |
| Concentration              | 500 ug/ml                                                              |
| Molecular Weight           | 39 kDa                                                                 |
| Antibody Type              | Primary Antibody                                                       |
