| Manufacturer               | Nordic BioSite                                                                                                    |
| Host                       | Rabbit                                                                                                            |
| Category                   | Antikörper                                                                                                        |
| Application                | FC                                                                                                                |
| Species Reactivity         | Human                                                                                                             |
| Immunogen                  | E.coli-derived human PFKFB1 recombinant protein (Position: R12-R186).                                             |
| Product Description        | Anti-PFKFB1 Antibody . Tested in ELISA, IHC, WB, Flow Cytometry applications. This antibody reacts with Human.... |
| Clonality                  | Polyclonal                                                                                                        |
| Concentration              | 500 ug/ml                                                                                                         |
| Molecular Weight           | 82457 MW                                                                                                          |
| NCBI                       | <a href="#">5207</a>                                                                                              |
| UniProt                    | <a href="#">P16118</a>                                                                                            |
| Target                     | PFKFB1                                                                                                            |
