| Host                       | Rabbit                                                                                                     |
| Category                   | Antikörper                                                                                                 |
| Application                | FC                                                                                                         |
| Species Reactivity         | Human, Mouse, Rat                                                                                          |
| Immunogen                  | E.coli-derived human NSF recombinant protein (Position: R4-Q636).                                          |
| Product Description        | Anti-NSF Antibody . Tested in ELISA, IHC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Polyclonal                                                                                                 |
| Concentration              | 500 ug/ml                                                                                                  |
| NCBI                       | <a href="#">4905</a>                                                                                       |
| UniProt                    | <a href="#">P46459</a>                                                                                     |
| Target                     | NSF                                                                                                        |
| Antibody Type              | Primary Antibody                                                                                           |
