| Manufacturer               | Nordic BioSite                                                                                                                    |
| Host                       | Rabbit                                                                                                                            |
| Category                   | Antikörper                                                                                                                        |
| Application                | FC                                                                                                                                |
| Species Reactivity         | Mouse, Rat                                                                                                                        |
| Immunogen                  | E. coli-derived rat liver FABP recombinant protein (Position: M1-I127).                                                           |
| Product Description        | Anti-liver FABP/FABP1 Antibody . Tested in IHC, WB applications. This antibody reacts with Human, Monkey, Mouse, Rat, Chicken.... |
| Clonality                  | Polyclonal                                                                                                                        |
| Molecular Weight           | 22105 MW                                                                                                                          |
| NCBI                       | <a href="#">24360</a>                                                                                                             |
| UniProt                    | <a href="#">P02692</a>                                                                                                            |
| Target                     | FABP/FABP1                                                                                                                        |
| Antibody Type              | Primary Antibody                                                                                                                  |
