| Article Name               | Hsp90 beta/HSP90AB1, IgG2b, Clone: [7B7F5], Mouse, Monoclonal                                                                                               |
| Biozol Catalog Number      | NBS-ABB-6MMLU1-100                                                                                                                                          |
| Supplier Catalog Number    | ABB-6MMLU1-100                                                                                                                                              |
| Alternative Catalog Number | NBS-ABB-6MMLU1-100                                                                                                                                          |
| Manufacturer               | Nordic BioSite                                                                                                                                              |
| Host                       | Mouse                                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                                  |
| Application                | FC                                                                                                                                                          |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                           |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human Hsp90 beta, identical to the related mouse and rat sequences.                    |
| Product Description        | Anti-Hsp90 beta/HSP90AB1 Antibody (monoclonal, 7B7F5) . Tested in Flow Cytometry, IF, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Monoclonal                                                                                                                                                  |
| Concentration              | 500 ug/ml                                                                                                                                                   |
| Clone Designation          | [7B7F5]                                                                                                                                                     |
| Isotype                    | IgG2b                                                                                                                                                       |
| NCBI                       | <a href="#">3326</a>                                                                                                                                        |

|               |                        |
