| Manufacturer               | Nordic BioSite                                                                                                     |
| Host                       | Rabbit                                                                                                             |
| Category                   | Antikörper                                                                                                         |
| Application                | FC                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                  |
| Immunogen                  | E.coli-derived human GPCR GPR7/NPBWR1 recombinant protein (Position: V58-A328).                                    |
| Product Description        | Anti-GPCR GPR7/NPBWR1 Antibody . Tested in ELISA, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Polyclonal                                                                                                         |
| NCBI                       | <a href="#">2831</a>                                                                                               |
| UniProt                    | <a href="#">P48145</a>                                                                                             |
| Target                     | GPR7/NPBWR1                                                                                                        |
| Antibody Type              | Primary Antibody                                                                                                   |
