| Alternative Catalog Number | NBS-ABB-MG1NZQ-100                                                                                                                                                                |
| Manufacturer               | Nordic BioSite                                                                                                                                                                    |
| Host                       | Rabbit                                                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                                                        |
| Application                | FC                                                                                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                 |
| Immunogen                  | E.coli-derived human NETO2 recombinant protein (Position: I23-F525). Human NETO2 shares 97.8% and 97.4% amino acid (aa) sequence identity with mouse and rat NETO2, respectively. |
| Product Description        | Anti-NETO2 Antibody . Tested in WB, ELISA applications. This antibody reacts with Human, Mouse, Rat....                                                                           |
| Clonality                  | Polyclonal                                                                                                                                                                        |
| Concentration              | 500 ug/ml                                                                                                                                                                         |
| NCBI                       | <a href="#">81831</a>                                                                                                                                                             |
| UniProt                    | <a href="#">Q8NC67</a>                                                                                                                                                            |
| Target                     | NETO2                                                                                                                                                                             |
