### ELISA Kit for Hemoglobin (HB) USC-CEB409PO

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Hemoglobin (HB)                                            |
| Biozol Catalog Number      | USC-CEB409PO                                                             |
| Supplier Catalog Number    | CEB409Po                                                                 |
| Alternative Catalog Number | USC-CEB409PO-48, USC-CEB409PO-96                                         |
| Manufacturer               | Cloud-Clone                                                              |
| Category                   | Kits/Assays                                                              |
| Species Reactivity         | Porcine                                                                  |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                      |
| Range                      | 3.70-300ug/mL                                                            |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 1.41ug/mL |
| Samples                    | serum, plasma, erythrocyte lysates and other biological fluids           |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                 |
